

Special Holidays: Children and parents in Solares de Portugal.

Solares de Portugal developed children holiday programs for this season. In order to join parents and children in same sportive and cultural activities, **Solares de Portugal** are family homes as opposed to hotels, offering a very different kind of holiday experience with that "personal touch". All our houses have been arranged into three distinct groups of accommodation: **Casas Antigas** (Manor houses and Stately homes), Quintas e Herdades (Estates and farmhouses) and Casas Rústicas (country houses and cottages). They have been individually inspected to ensure the highest standard of quality and hospitality.

Children until 12 years old do not pay, until the end of June, in **Solares de Portugal** (exclusive to cot and extra bed). Each bedroom can have a maximum of one cot and one extra bed. You can take them to know the History and the "stories" of each Portuguese region. **Solares de Portugal** offers you special prices for our three types of Solares de Portugal: the price, for one person, one night including breakfast, in the type A, is 47 euro; in type B, is 34 euro; in type C is 27,50 euro (Valid for stays until 30th June and for bookings made between 28th of May and 30th of June.) Prices per night, one person (in double room).
