

Solares de Portugal with a new Road Map

Solares de Portugal has a new road map with pictures of all members, with information of each manor house and the easiest way to arrive there. This new brochure has a complete map with the roads of Portugal, as well as the locations of all the houses, with GPS coordinates, and the distances between the Portuguese board towns and main cities. This new map, with essential information about Solares in five languages: Portuguese, English, French, Spanish and German, it is also an important support for journeys and trips in Portugal, because it is the most recent map of the Portuguese roads.

Quinta da Ventuzela is the most recent member of Solares de Portugal

Quinta da Ventuzela is the recent member of **Solares de Portugal**, integrated in the category of Quintas e Herdades. A Farm House from the mid 17th century. It is located in the Douro Valley, in a lovely region of unique characteristics and unique beauty.

The Quinta was completely renovated in order to be reconverted into a comfortable accommodation. This

traditional Quinta of the Douro region, combines a symbiosis between tradition and modernity. The main House is surrounded by a small Chapel built in 1635, an alembic, a couple of oil-works, a water tank, a fountain with pure water, a swimming-pool, and also two other houses named “Casa da Eira” and “Casa do Caseiro”. Quinta da Ventuzela has many agricultural fields that cascade down onto the Douro River bed.

The Quinta has 4 Bedrooms (3 doubles and 1 twins); 2 Ap/4 persons. The price is 65 Euros per night.
