

This summer travel through time as well as place ... Let historical days happen... Live the past... Have unforgettable holidays.

Enjoy the peaceful environment of Solares, the rusticity of Aldeias and the colours of the country (Campo). This year let Portugal be your destiny.

All we wish for summer is to rest and have some leisure time, to have a calm and healthy holiday, in a serene atmosphere. It is time to choose between the beach and the country. Or perhaps ... choose both ... CENTER (www.center.pt) presents a huge and different accommodation offer, perfect for the warm days of Summer. Solares de Portugal (www.solaresdeportugal.pt) houses have a unique concept. Each house has historical inheritance and their owners know how to preserve the rich legacy of Portugal's architectural and cultural heritage. Casas no Campo (www.casasnocampo.net) are perfect to those who prefer family holidays. These houses are located in the countryside, allowing relaxing moments in natural surroundings. Aldeias de Portugal (www.aldeiasdeportugal.pt) are placed in typical Portuguese villages, where the local traditions can be discovered with the help of warm, welcoming local people. These are rustic houses in rural places. There are more than 100 options to discover all over the country, including Madeira and Azores. Therefore, CENTER has created irresistible tours.

The strength of the sea and the quiet of a river ... Take a time travel with Solares de Portugal

The strength of the sea is never far away and the quiet of the rivers refresh our villages, towns and cities. This is a revitalizing suggestion. Perfect for those who love sand, sun and water. Several Solares de Portugal are located near the Atlantic Ocean and you can find them at www.solaresdeportugal.pt.

The flowered fields ... an exclusive house for you

They are idyllic tours, full of cheerful colours and the intense smell of the countryside. Flowered portraits of peaceful villages, where the only thing we can hear is the birds singing, the light sound of the breeze, and the trickle of the water that running through brooks and fountains. Casas no Campo are ideal to a quiet vacation (www.casasnocampo.net).

The green Mountain ranges ... Discover the Deep Portugal

The green of our Mountain ranges is the dominant colour of a picture painted with pastoral tones. An image of the local culture and traditions that is still alive on these rural villages. Aldeias de Portugal are an example of typical accommodation in a rural environment (www.aldeiasdeportugal.pt).

We have a 100 wonderful proposals at Solares, Aldeias and Casas no Campo. We challenge you to discover the landscapes and the architectural inheritance of Portugal. Remarkable images with extraordinary beauty, an illustrated postcard at every turn. Travel in time and find out the histories and the memories of each region.
