## **The perfect gift to your friends and family - vouchers for Solares de Portugal**

If you know somebody who deserves a special holiday in a unique location where they can enjoy the untouched beauty, culture and hospitality of the real Portugal surprise them with a bargain voucher for one of the **Solares de Portugal**.

The network of 94 Solares exemplify the art of good living. They are not hotels but privately owned magnificent historic country manor houses or farmhouses, tastefully furnished, where the owner makes you feel like one of the family.

They are invariably set in beautiful gardens with a pool and all the comforts and amenities for an unforgettable holiday.

Solares are the ideal venue for that special occasion - a Christmas getaway, a birthday celebration, golden wedding anniversary, honeymoon or family get together and when you buy a voucher you can personalise it with a message or photo before sending it to a family member, friend or colleague.

The price of the vouchers depends on the category of the Solares but you can purchase a single voucher for as little as 65 euros and this entitles the holder to a one night stay for two persons in a double room plus breakfast.

These special gift vouchers are valid for the remaining months of 2011 and throughout 2012 and can be purchased on line through [www.solaresdeportugal.pt](http://www.solaresdeportugal.pt) or direct from our head office.

The charm and ambiance of the **Solares de Portugal** captures the imagination in many different ways and make the stress of everyday life seem a million miles away. If you are the active type there are a number of outdoor activities to enjoy including tennis, golf, horse-riding, swimming, canoeing, hiking, not forgetting free wine-tasting.
